### **Additional Note: Regenerative Translations Superior to Degenerative Originals**

It should be understood that anyone who appeals to the original, so-called, or the Greek and the Hebrew, so-called and invariably undefined, over the King James English is saying that the word of God has lost information in transmission i.e. translation. Fundamentalists repeatedly say words to that effect. However, if the word of God has lost information in translation, it has degenerated. If the word of God is subject to degeneration, then anyone who appeals to the original, so-called, or the Greek and the Hebrew, so-called, over the King James English is saying that the Lord Jesus Christ lied when He said as recorded 3 times in scripture ***“Heaven and earth shall pass away, but my words shall not pass away”*** Matthew 24:35, Mark 13:31, Luke 21:33.

In addition, your salvation is predicated on the integrity and incorruptibility of ***“the word of God”*** as Peter states ***“Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever”*** 1 Peter 1:23. Anyone therefore who appeals to the original, so-called, or the Greek and the Hebrew, so-called, over the King James English is saying that the apostle Peter lied because the word of God is subject to degeneration and is therefore corruptible.

Therefore your salvation is subject to degeneration and it too is corruptible.

Further, anyone who appeals to the original, so-called, or the Greek and the Hebrew, so-called, over the King James English is also saying that the apostle James lied when he said ***“...receive with meekness the engrafted word, which is able to save your souls”*** James 1:21.

There's no point because it isn't and it won't, according to anyone who appeals to the original, so-called, or the Greek and the Hebrew, so-called, over the King James English.

That is, you don't have salvation and you can never have it, according to anyone who appeals to the original, so-called, or the Greek and the Hebrew, so-called, over the King James English.

That's about as blasphemous as it gets but fundamentalists do it all the time.

You should of course be encouraged that translation is not degenerative but is always *regenerative*, an improvement over the original in scripture:

***“So do God to Abner, and more also, except, as the LORD hath sworn to David, even so I do to him; To translate the kingdom from the house of Saul, and to set up the throne of David over Israel and over Judah, from Dan even to Beersheba”*** 2 Samuel 3:9-10.

***“Who hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son”*** Colossians 1:13.

***“By faith Enoch was translated that he should not see death; and was not found, because God had translated him; for before his translation he had this testimony, that he pleased God”*** Hebrews 11:5.
